## Product Highlights

### Black Line FX

A new Philips picture tube with dark glass for better contrast and highly pigmented phosphors giving brighter and more natural colours.

### Contrast Plus

A special electronic circuit has been incorporated into this television to enhance the darker portions of the picture for added realism and improved picture quality.

### Stereo

Two channel sound signal able to deliver different sound from left and right channels

### RMS

The standard professional measure of sound output power. All our Tv's are measured in RMS with 10% Distortion. There are other terms than RMS which often show higher numbers but are not comparable.

### Plug & Play

Having connected the tv, it automatically searches for all channels and installs them.

### 10 Page Smart Text

Fast access to your own programmed favourite text pages.

### Side Connections

Connections for headphone and other inputs such as camcorder, side entry for ease of use.
